## *Rocky Top*

This rustic log home plan features an eight-foot deep wrap-around porch perfect for enjoying cool fall evenings. The great room has a vaulted ceiling and hand-crafted staircase leading to the upper level. For convenience, a half bath is located just off the kitchen and dining room with nearby basement access if desired. The main level master suite has a walk-in closet and private bath while two additional bedrooms are located upstairs. These upper bedrooms are very spacious and share a bathroom with a full linen closet.
